Our Scope of Service

Our mission is to provide you with a first class professional insurance broking service and good quality insurance products at a reasonable price. Our Insurance quotations are usually advised and will be on one of the following bases : -

- from on a fair analysis of the insurance market of a variety of insurers, or,
- will result from a comparison of a limited number of insurers, or,
- will be from a single insurer

The basis of your quote depends on the degree of specialism of the particular class of insurance and your needs. We are not contractually obliged by any insurer to place certain classes of insurance with them. On each occasion we will advise you which of the above bases apply and whether or not we have given you advice. You may request a copy of the list of insurance providers that we deal with in relation to any particular class of insurance.

How to Complain

Our full complaints procedure can be sent to you on request. However, in the first instance any dissatisfaction should be advised to us verbally and we will endeavour to promptly resolve the issue. In the unlikely event that the matter can not be resolved, you have the right to refer your complaint to the Financial Ombudsman Service (FOS). You can find out more about the FOS at www.financial-ombudsman.org.uk or phone them on 0845 080 1800.

Financial Services Compensation Scheme

We are members of the Financial Services Compensation Scheme (FSCS). In the unlikely event that we are unable to meet our liabilities, you may be entitled to compensation from the FSCS. Such compensation may be up to £2,000 for the first part of any claim and 90% of the remainder. Further information is available from the FSCS on their website www.fscs.org.uk or by phoning them on 020 7892 7300.

How to Claim

You should notify us as soon as possible if anything happens that could lead to a claim by phoning us on 01704 821187, email: office@millins.co.uk or you can write to Millins Chartered Insurance Brokers at the above address. We will then advise you what to do next. You can also check your Policy Summary and Documents that specifically relates to your policy. If your insurer operates a direct claims reporting help-line, its details should be in the documents provided by your insurer.

Cancellation (Cooling Off) Rights

In most cases you have the right to cancel your policy within 14 days of cover starting, or within 14 days of receiving your policy – whichever is the later. If you choose to exercise your cancellation right, you must inform us in writing within the time period allowed and return any documents that you have received. In most cases you will be entitled to a full refund of premium. However, any fees that we have charged you (see **Our Fees** below) are not refundable. **NB** If you do not cancel within the 14 day period then you will forfeit your right to a full refund of premium. However, in most cases you will be able to later cancel your policy mid-term.

Mid-Term Cancellation

When a policy is cancelled mid-term, in most cases (depending on the particular insurer and type of policy) you will be entitled to a pro-rata refund of premium. However some policies may be on a minimum and deposit basis where no refund is available. In all cases we reserve the right to apply cancellation fees and deduct commission from your gross premium refund. If you are paying your premium via third party finance firm Finsure Premium Finance, and you wish to cancel your policy mid-term, please contact us in the first instance and we will arrange cancellation for you. In some cases, there may be a difference between your nett refund and the balance due to Finsure in order to settle the loan. In these cases, we will either invoice you for the amount outstanding, or send you a refund cheque.
